

# **LIBERTON KIRK NEWS EXTRA**

## **9<sup>th</sup> April 2020**

Dear Friends,

Week three of staying at home measures. I hope you are all managing and getting the help you need. Please contact us if you there is anything you need and we will try and help.

This week I have heard a few amazing stories of people who were desperatley ill and are now recovering from the corona virus. One man on the news was just so grateful for all the NHS staff and for being alive and credited to people praying along with all the care he received. Some connected with our Liberton family are on the road to recovery Dennis Seater and Lucy & Niv Bull. Others sadly are just becoming poorly with possible corona infection- John Rennie & Morag Fowlie. Please give thanks for the recoveries and pray for those who are poorly.

When I have gone out for shopping I noticed this week the roads are quieter and people are keeping a social distance so everyone is playing their part in trying to limit the spread of this virus. I also notice the birds singing and acts of kindness. These things have always been around but I think sometimes I miss them in the busyness of life.

This Sunday we will celebrate Easter via zoom, if you are able to join in that would be great it is dependent on a bit of technology.

When thinking of our easter worship one of the highlights is seeing the cross made from the Christmas Tree transformed as we each add the daffodils we bring along. I hope you enjoy the picture of daffodils from John Gill's garden. May you know God's love and joy this Easter.

With much love

Linda (Phone Number 07850411596)
