

## **LIBERTON KIRK NEWS EXTRA**

### **May-June 2021**

**Dear Friends,**

Lots of change has happened over the last few weeks as we have now moved from level 3 to level 2. We have also had an election which was challenging as we voted with masks and sometimes had to queue at a distance.

The café is now open and Norma and the team have been welcoming back customers and it is lovely to see the buzz in the Kirk Centre. Customers have managed to sit in the courtyard too and enjoy the sun when it shines. Chris Aitcheson is working hard as groups return to their usual meetings. We still have to follow guidelines but its lovely for some normality to be restored.

On Sunday the 23<sup>rd</sup> the Big Idea churches held a drive in service. Life is different but there are always creative ways to do things. John our minister is very good at finding these new ways as well as listening to suggestions and advice from others. During level 3 he could regularly be seen on his bike visiting people on their doorstep when we were not able to go into their homes. Hopefully we can slowly start to visit again as we are now in level 2.

On Sundays we can now have 100 people socially distanced at 9:30 and at 11am. We still need to let John know if we are not coming along to make space for others. Some people are finding it easier to stay watching at home on zoom. We are thankful to Chris and the team of volunteers who keep us on the right track and do the extra cleaning required between services. I will keep you posted as new things develop or old things are re-established.

Praying this letter finds you well and that you have been enjoying seeing more of your family and friends. Please contact us if we can help in any way or you have news to share.

With Love

**Linda (07850411596)**
