

NEWS EXTRA July-August 2021

Dear Friends,

Last month I was busy watching the Euros. Sadly Scotland were knocked out but England got to the final. Now I am watching some of the Olympics and have been impressed by the dedication of the athletes taking part. I am not really sporty but appreciate the effort of others. I have been impressed by the young people who took part in the Youth Mission Week. They worked hard serving the community by shopping, litter-picking and gardening. They were also able to enjoy some lovely weather while they carried out their tasks.

Our Kirk centre garden is blooming, and fruit and vegetables planted by volunteer gardeners are doing well. They have benefited from the lovely weather we have been blessed with. The café have been able to use some of the produce that is ready.

Stage N' Slam, a summer programme run by Young Life, also enjoyed the use of our outdoor space.

In the church grounds the Pathway of Peace is up and running. If you are able, come along and take time out in God's company.

This photo of Skye Kilt Rock Waterfall just reminds me of God's wonderful creation of which we are all part.

It is good to give thanks to God for all His provision and His goodness to us. It is good to be part of His family. I hope you have been able to enjoy this lovely summer weather and look forward to some much needed rain. Please contact us if we can help in any way or you have news you would like to share.

With love

Linda (07850411596)
