

# LIBERTON KIRK NEWS EXTRA

## February 2022

Dear Friends,

A belated “Happy New Year” I hope you managed to enjoy Christmas and New Year, it seems a while ago now.

We now have a new facilities co-ordinator, Edna Matthews who you may meet if you are able to visit the halls or café. Please remember her in your prayers that she will feel welcomed and settle into the Kirk and her new job.

We also welcomed Trevor Martindale a Church of Scotland Student who will be with us for the next 6 months. “Trevor is married to Dandan and they have two children, Arielle (9) and Theo (6). They are looking forward to being a part of all that God is doing at Liberton Kirk over the next 6 months.”

The last week in January was our Mission Sunday. There is a display in the Offering House which you might find interesting if you are able to come along. It is good to remember our Mission Partners in other parts of the world.

**I am looking forward to February beginning, January can feel like a long bleak month. I always look forward to spring and the signs of new life poking through the earth and buds appearing on the trees. For months it looks like nothing is happening then suddenly green shoots appear and eventually beautiful flowers.**

**The café and halls are beginning to get busier. I am pleased to say that the Senior Citizens Club starts again in February. We look forward to a varied programme of music and I believe we are having a fashion show which some of our helpers have been working hard on over the last few months.**

**As restrictions start to be lifted some things we have not been able to do are now happening again. Early in March the Kirkgate Trust are holding a Jumble Sale. If you have any items you would like to donate please contact me on the number below.**

**If we can help in anyway please don't hesitate to get in touch.**

**With Love  
Linda**
