

LIBERTON KIRK NEWS EXTRA

September 2022

Dear Friends,

The weather over the summer was lovely - I hope you have been able to enjoy the sunshine. At the beginning of the school holidays the Kirk garden was alive with young people attending Stage 'N' Slam. The day started with team meetings in the Anderson Hall, then fun and games at Gracemount High School followed by food, more fun and talks about faith.

This was followed by a service week led by Emily and Laura. Young people meeting for breakfast and a time of worship followed by serving different people in the community as well as in the Kirk Centre.

While the young people were having a great time some of our young at heart members in the Artisan group were extending the shed in the Kirk Centre garden. Thanks go to Derek Jardine, George Thom and David Colley who have done a great job. It was dedicated on the 14th August at a short service of thanks.

The Congregational Lunch on the last Sunday in August marked the end of the 10.30am summer services.

Our halls are coming alive again with all groups returning, including Senior Cits, an over 60's exercise group and all our children and youth groups.

On the 22nd September John and a team of volunteers are running a daytime Alpha Course which many members from the Senior Cits have signed up for. We are never too old to learn from each other and share our faith stories.

Over the last week we have heard many stories of Queen Elizabeth II, some mentioning her sense of humour, her long service to duty and devotion to her family. An amazing leader whose faith and the love of her husband was the foundation of all she accomplished.

I hope you are all keeping well and look forward to catching up in person. If you have any news to share please let us know, or if there is anything we can help with.

With love

Linda
