

LIBERTON KIRK NEWS EXTRA

October/November 2022

Dear Friends,

October and Autumn are upon us with winter chasing at their heels. I was looking at the vine in all its glorious colour which is a reminder of the changing seasons.

I have been thinking of the Kirk family in recent days and was reminded of the verses on our cairn from 1 Peter 2:5 “..you also, like living stones, are being built into a spiritual house”.

The living stones are us and the Kirk family help in many ways. I am privileged to see many of the family volunteering, looking after each other and helping in so many practical ways.

This morning I was part of the café team setting up to serve folk in the café. Tomorrow I will be part of the seniors' team serving our seniors from the kirk and the community. These are only two examples of the ways people volunteer.

Can you guess the volunteer pictured here on his wedding day. Points if you can name them both, answer on the next newsletter.

John, supported by Lindsay guide and direct the staff and the Kirk family, please pray for them in all they do. Please contact us if you have any news we can share.

With Love

Linda
