

# Liberton Kirk Daily Devotions – OCTOBER 2025

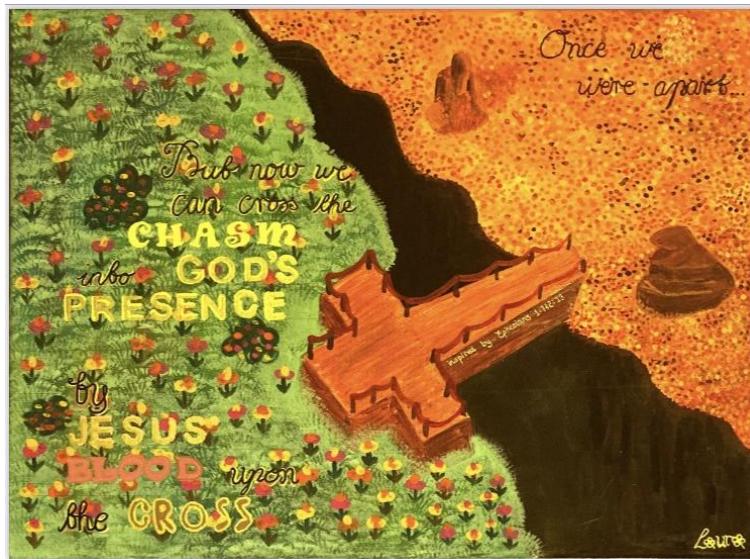

*I want to know Christ – yes, to know the power of his resurrection and participation in his sufferings, becoming like him in his death, and so, somehow, attaining to the resurrection from the dead.*

*Philippians 3 vs 10 and 11*

During 2025 we are looking daily at the theme of **ITS ALL ABOUT JESUS**. So far we have considered some of the things He did and said and how the Early Church followed His teachings. We pause at our times of Midday Devotion to pray for others in our church family, our city and our world.

In October we continue to journey with Paul through his letters as we consider the truths behind his words.

We are all invited to listen for God's voice and make our response as we journey together daily in our 'rhythm of devotion' in 2025.

These Devotions are but one way to feed on God's Word in the morning, at midday, in the evening... to pray with Him continually through the day and even to share with others the treasures or hurdles you discover.

The Church website and Facebook page (even on a handy mobile) provide a fuller daily devotional page. However it all follows the pattern below which the information provided fits into, based on the Kirk's origins of the Celtic and Northumbrian traditions which we started as a church family back in 2015.
